The image is a composite of two parts. On the left is a screenshot of a web browser window. The browser's address bar shows 'example.com'. The page has a purple header with the 'KURLY' logo and the text '관리자센터' (Admin Center). The main content area is white and features a login form titled '관리자 로그인' (Admin Login). The form includes two input fields: '아이디를 입력해주세요' (Please enter your ID) and '비밀번호를 입력해주세요' (Please enter your password). A red dashed box highlights these two fields, with a red square containing the number '1' to its left. Below the input fields are two links: '보안접속' (Secure Access) with a checkmark icon, and '아이디 찾기 | 비밀번호 찾기' (Find ID | Find Password). At the bottom of the form is a purple button labeled '로그인' (Login).

On the right side of the image is a table with two columns: 'Description' and 'Abbreviation'. The 'Description' column contains the text '관리자 페이지 - 로그인' (Admin Page - Login) and 'ID / PW 입력' (ID / PW Input). The 'Abbreviation' column is empty. At the bottom of the table, there is a decorative wavy line icon followed by the text '이전/다음장과 연결' (Connect to previous/next page).
